40.8M (133'10") | BENETTI | 2024

# WELCOME ON BOARD

---

COSMICO is a brand new 40.8 m Motor Yacht, built in Italy by Benetti and recently launched in June 2024. Her top speed is 17 kn, her cruising speed is 12 kn, and she boasts a maximum cruising range of 4000 nm with power coming from two MAN diesel engines. She can accommodate up to 12 guests in 5 staterooms, with 9 crew members waiting on their every need. She has a gross tonnage of 385.0 GT and a 8.5 m beam.

Doors from the main salon open onto the expansive aft deck, featuring a dip pool, sunpads, sun loungers, and a stylish lounge area that evokes a chic beach club ambiance. For more secluded relaxation, additional sunpads await on the foredeck. On the sun deck, guests can bask in the sun by the Jacuzzi pool, enjoy cocktails at the sit-up bar, or dine comfortably under the shade of the hardtop. At the aft of the sun deck, a luxurious lounge area with modular furniture offers the perfect setting for unwinding—or transforming into a dance floor for lively evening celebrations.

# INTERIORS

---

When seeking shade, guests can seamlessly step through flush sliding doors into the main deck saloon. Here, symmetrically arranged light-colored sofas provide a comfortable retreat with uninterrupted sea views. Just beyond this inviting lounge, a formal dining area awaits, illuminated by natural light streaming through floor-to-ceiling windows. The main deck is completed by a dedicated wellness room with the latest gym equipment.

COSMICO layout has been heavily customised, including the repositioning of the outdoor dining area, which has been placed on the upper deck aft and is fitted with a quartzite-topped table. Interior materials include walnut wood and leather-clad panelling that replaces the lacquering seen in the original design. Oak boards also replace the model's typical teak interior flooring.

# ACCOMMODATION

---

As part of the customisation, the master bed has been thoughtfully repositioned to the cabin's center. This central placement enhances both accessibility and the space's overall aesthetic, creating a more balanced and inviting environment.
